Professional Experience

Rental Owner Advisor, Apartment Building and Rental Property Broker, Rotarian, U.S. Marine Veteran – my motto has always been Success Thru Service. As a Rental Owner Advisor / Rental Housing Broker, I specialize in the sale of apartment buildings and rental properties in San Diego county. As a Marine Veteran, I consider myself an advocate of the U.S. Veteran. As the current Chair of the Military Affairs Committee of the San Diego Rotary Club, I dedicate my charitable efforts to serve active duty military, family members, and veterans in San Diego County.

CCIM Designation

A Certified Commercial Investment Member (CCIM) is a recognized expert in the disciplines of commercial and investment real estate. The designation is awarded by the CCIM Institute. CCIMs have access to a suite of online technology tools through the Site to Do Business, and they can post properties for sale or lease through the online CCIMNet commercial real estate exchange. Of the more than 150,000 commercial real estate professionals in the United States, only an estimated 6% hold the CCIM designation.
